The Riverside County Professional Firefighters Benevolent Fund (RCPFBF) is approximately 1,000 members strong and is affiliated with CAL FIRE Local 2881 and IAFF. Our members are afforded opportunities within Riverside that are both diverse and complex. Our members are tasked with fulfilling many positions depending on their rank. The Riverside County Fire Department operates 94 fire stations in 15 battalions, providing fire suppression, emergency medical services, rescue, hazardous materials and fire prevention investigation and education.

The RCPFBF is organized for the purpose of providing physical, financial and emotional support to our members and their families in their time of need. As well each year we support many programs within our local communities to benefit those in need. Our support is provided by an all-volunteer Board of Directors in a non-political and non-denominational manner.

Once again, we are gearing up for our annual “Shop with a Firefighter: event in an effort to provide happier holidays for less fortunate youths in the communities in which we proudly serve. Children are pre-screened by the Riverside County Department of Child Protective Services Department and will receive a \$250 gift card. They must use \$200 on clothing, school supplies or personal necessities and may use the remaining \$50 on toys, personal interests or gifts for their family.

Any support you can give will be greatly appreciated and will truly make a less-fortunate child’s holidays a little brighter!

We thank you for your support on behalf of the Riverside County Professional Firefighter’s Benevolent Fund.
