Body Scan International

## BSI MEDICAL BODY SCAN PROGRAM

The BSI Body Scan Program confidentially screens for many diseases of greatest concern to the public safety sector – heart/cardiovascular diseases, lower back and neck pathologies, over 20 different types of cancer, chronic lung disease, and many others. The visit includes a comprehensive at-home teleconsultation with a Board-Certified BSI Physician, who will guide you on an interactive tour through your body to provide you with a state-of-the-art preventive medical evaluation. Since 1997, BSI has proudly provided service to over 20,000 members of California Public Safety Organizations.

### Appointment Inquiries:

To inquire about an appointment, interested members should call the BSI Center at (877) 274-5577, or go to <http://bodyscanintl.com/schedule.htm> and enter their information.

### 2024 Pricing and Insurance Coverage:

**CalFIRE Local 2881 Members with the PORAC Anthem Blue Cross Police & Fire Health Plan as their primary medical insurance (subscribers only):**

**\$0 out-of-pocket.** BSI invoices the PORAC plan directly, and they pay us directly.

It is a guaranteed, defined benefit within the plan, not subject to deductible or copayment.

We do not “balance bill” subscribers on this plan; thus, the plan payment is accepted as payment in full.

**CalFIRE Local 2881 Members on non-PORAC medical plans, and adult dependents of all plans (including the PORAC Health Plan):**

**\$1,540 out of pocket** – This is a Healthcare Reimbursement Account/Flexible Spending Account eligible out-of-pocket expense.
